

# VOTE "YES" ON AMENDMENT 2

**MORE JOBS AND MORE  
MONEY IN OUR POCKETS!**

Each year, small business owners pay a year-end tax on their inventory. Businesses also pay a yearly tax on the value of their machinery and equipment just like the tax you pay on your car, truck, or ATV.

Many new businesses are given special treatment to eliminate the tax on their investment when moving to West Virginia, leaving all of us to pay more.

It's time to bring new jobs to West Virginia by helping our existing businesses grow and expand. A Yes vote on Amendment 2 levels the playing field for all West Virginia businesses and helps fight inflation.

**A "YES" vote on  
Amendment 2  
means a path to  
end the car tax  
and to level the  
playing field for  
all West Virginia  
businesses.**
