Mylan's Important Role in the U.S.

Last year, we produced 17 billion tablets and capsules in our Morgantown plant.

Nearly 80% of Mylan's products sold in America are manufactured at one of our U.S. sites. The majority of these products are produced in Morgantown.

Mylan's Important Role in the U.S.

In 2016, Mylan
filled 1 of every 13
prescriptions in
the U.S.

AVERAGE PRICE per dose

25¢

One of state's
top-five private
employers with a
local workforce of
more than 3,400.
