Q4

Describe your overall philosophy toward the role of state government as it relates to business and industry.

Right now! Headed in right direction with more work to do.

Q5

What do you bring to the office you seek? Specifically, what have you built, improved, or changed for the benefit of your community or business?

A voice, and as a setting legislator I have been able to bring money home to help economy.

Q6

Please list any groups, associations, or non-profits in which you are an active member or volunteer such as civic groups, labor organizations, advocacy groups.

Marshall union lodge 8,, knights of phi this and Shriners

Q7

West Virginia is facing many challenges. What do you consider to be the most important and critical challenge that threatens our state and what is your plan to alleviate this threat?

Drugs!! Lose in population

Q8

Do you support the passage of Amendment One on the November 2022 General Election ballot? The measure provides the legislature with the authority to repeal or phase out tangible personal property in the future, this includes tax on personal vehicles, small business inventory, and tax on manufacturing inventory, machinery, and equipment.

Yes, I already did!!

Q9

What ideas do you have to help build our state's economy and improve West Virginia's position in competing for investment and job growth?

I like to see Inventory tax gone!

Q10

Use of and addiction to opioids in West Virginia and our region have reached crisis levels. This is a problem being recognized not only at the state level, but at the federal level. What ideas do you have to help stop this devastating trend in our state?

3 different things

Q11

Racial justice and equity, LGBTQ rights and gender equity are important factors for many current West Virginia employers, companies that consider moving to our State, and employees who may consider relocating to West Virginia. How would you address these issues to recruit and retain companies and employees for whom this is a priority?

I would Guarantee fair and equal for everyone!

Q12

What are your specific ideas for addressing workforce skills gaps in industry? Specifically, with the growth of manufacturing jobs in the state and need for diverse and skilled labor, what are your ideas to prepare the state's current and future workforce for manufacturing jobs.

By working with legislators in get people to work!

Q13

What are your ideas for improving outcomes in the state's K-12 public education system?

Earlier learning, and held to a standard

Q14

What ideas do you have for incorporating a focus on STEM education in our public schools and how could industry engage to support increased workforce learning models in middle and high schools, as well as career and technical education centers (vo-tech)?

I think we should expand on it and we should make education and our local school systems for businesses grow off for more in the industries in we do it now.

Q15

Please describe policies that you believe may be helpful in balancing state regulations and environmental rules while maintaining a competitive atmosphere for industrial job growth and investment?

By building

Q16

What do you think West Virginia could do to promote energy diversity including the growth of renewable energy sources in the state?

By passing legislation

Q17

Many corporations have established environmental, social, and governance criteria. How would such goals impact your decision making on relevant policy issues as a member of legislator?

They won't !

Q18

If you could work on a single piece of legislation to help support manufacturers with in the state of West Virginia what would it be? and Why?

Business and inventory tax! Because the inventory tax is hurting our businesses in Wv. I shouldn't have to tell you this.

Q19

Would you be available for an interview remotely or in person?

Already have been!

Q20

Where may the WVMA follow you on social media? Please list social media handles including Facebook, Twitter, and others.

Facebook and Twitter
