

VOTE "YES" ON AMENDMENT 2

West Virginia is returning \$86 million meant to help renters and landlords to the federal government

At a time when working families are fighting high inflation created by out-of-touch politicians, West Virginia is sending money back to Washington, DC, instead of helping us. Republican leaders want to eliminate the car tax. Amendment 2 empowers you, the voter, to get back some of your hard-earned money by giving those leaders the ability to cut the car tax.

West Virginia ends fiscal year with record-breaking \$1.3 billion surplus

Schools, critical services, and local governments will not be harmed; the state has a plan to make sure all are fully funded. Sadly, at a time when the State is sending money back to Washington, many politicians want to keep more of your hard-earned money to fund their pet projects. Don't be fooled when they say budgets will be cut; that's their way of saying, let us keep the money.

**A "YES" VOTE ON AMENDMENT 2 IS A VOTE TO PAVE THE WAY TO
ELIMINATE THE CAR TAX.**
