Q1

Describe your overall philosophy toward the role of state government as it relates to business and industry.

less Government = More Jobs. less Government Regulations

Q2

What do you bring to the office you seek? Specifically, what have you built, improved, or changed for the benefit of your community or business?

I have Spoken Before the United States Congress about the over Regulations against the coal Industry.
I have personally stood up very vocally for my local industries and i will fight for all jobs in our state

Q3

Please list any groups, associations, or non-profits in which you are an active member or volunteer such as civic groups, labor organizations, advocacy groups.

none at the moment i just help people when possible

Q4

West Virginia is facing many challenges. What do you consider to be the most important and critical challenge that threatens our state and what is your plan to alleviate this threat?

Taxes. Industries pay entirely to much in taxes and to encourage other industries to come to our state we have to be competitive

Q5

During the 2020 Legislative Session, SJR 9 and SB 837 moved in the West Virginia Senate, but fell short of the votes needed to move to the House of Delegates. The intent of the effort was to allow West Virginians to vote on a constitutional amendment to phase-out/repeal of manufacturing inventory, machinery, and equipment tax, business inventory, and tax on passenger vehicles while making local governments and schools whole. Please describe your ideas for addressing this issue which requires a change to the West Virginia Constitution.

i would completely support this action it would help our current industries plus encourage new industries to come to west virginia

Q6

What ideas do you have to help build our state's economy and improve West Virginia's position in competing for investment and job growth?

lower taxes. help bring in more jobs

Q7

Use of and addiction to opioids in West Virginia and our region have reached crisis levels. This is a problem being recognized not only at the state level, but at the federal level. What ideas do you have to help stop this devastating trend in our state?

This is the million dollar question. i have personally had family die from overdose. I do Truly believe a good Job can solve a lot of problems

Q8

Racial justice and equity, LGBTQ rights and gender equity are important factors for many current West Virginia employers, companies that consider moving to our State, and employees who may consider relocating to West Virginia. How would you address these issues to recruit and retain companies and employees for whom this is a priority?

I am a Christian and i stand firm on my beliefs.

Q9

What are your specific ideas related to developing a diverse and skilled workforce in West Virginia?

more trade schools.

Q10

The West Virginia Department of Environmental Protection proposed a rule for the 2021 Legislative Session to adopt a portion of US EPA recommended human health criteria which established limits for certain environmental permits. The WVMA is actively involved in ongoing discussions related to these criteria and supports the WV DEPs approach to establish an active work group to further evaluate these important measures. Please describe your position on the proposed rule.

We need to control our own state and not listen to Federal government we know what is best for us.

Q11

Please describe policies that you believe may be helpful in balancing state regulations and environmental rules while maintaining a competitive atmosphere for industrial job growth and investment?

we need to talk with the industries that any polices or regulations would effect and go from there.

Q12

What would you like to share with our members that we have not asked?

i will work for the people and only the people what is best for this state i will fight for and i will uphold the constitution of the United States

Q13

Would you be available for an interview remotely or in person?

yes
